I am pleased to announce the opening of the Nursing Mothers Room at the U.S. District Court for the Southern District of California. The Nursing Mothers Room is located in the Edward J. Schwartz Courthouse, Suite 1167. This facility was established to provide a convenient, private, and quiet location for pregnant or nursing mothers. The facility is available for use by employees of the federal court, Pretrial Services, Probation, Marshals Service, the United States Attorney's Office and Federal Defenders of San Diego, as well as all attorneys and their litigation assistants doing business with the Court. The room is equipped with a refrigerator, electrical outlets, sofa, two private areas, and a bathroom.
